Donate Stock

Donating appreciated stocks or mutual funds is a wonderful way to support SSN while potentially receiving tax benefits. Gifts of securities can help advance our mission to connect research with public policy and strengthen democracy. For instructions on how to initiate such a gift, please contact [Paola Maynard-Moll](#).

Donor Advised Funds

Making a recommendation to allocate a Donor-Advised Fund (DAF) gift to SSN is simple. Fidelity, Schwab, and BNY Mellon DAF holders can easily recommend grants online via DAF Direct by clicking [here](#) or using the form below. If your DAF is managed by another provider, please contact them to initiate the gift.

Make a Planned Gift

Remembering the Scholars Strategy Network in your will or trust is one of the most meaningful ways you can give to sustain our work. By planning a gift as part of your estate and financial plans, you help ensure that SSN can continue to use research to improve policy and strengthen democracy for the long run.

We encourage you to talk with your financial advisor or attorney to help choose a planned gift that best fits your financial goals. To learn more about planned giving options, please contact [Paola Maynard-Moll](#).
