SSN Releases 2018 Annual Report

FEBRUARY 5, 2019

Avi Green

In 2018, the Scholars Strategy Network succeeded in informing policy across the states, improving life for thousands of Americans.

We're pleased to share with you **SSN's 2018 Annual Report**, which showcases some examples of what's possible when scholars advance the use of research wherever policy decisions are made. We encourage you to download the report and explore these success stories. Also, if there are other accomplishments that you'd like to share, we'd love to hear them - reach out here or on [our Twitter](#).
