

Experts Available: Gun Control

SEPTEMBER 11, 2019

Dominik Doemer

As the House marks up additional gun control legislation, the White House prepares to release their own proposal, and the 2020 Democratic presidential hopefuls debate, the following scholars are available and ready to comment on new developments around gun control:

JOSEPH BLOCHER

Duke University

Expert on the Second Amendment and the developing legal regime regarding gun rights and gun control.

SIERRA SMUCKER

RAND Corporation

Expert on the connection between domestic violence and gun violence, including red flag laws.

ROBERT J. SPITZER

College of William and Mary School of Law

Expert on the politics, history, law, and criminological consequences of guns.
