With Abortion Heading Back to the Supreme Court, Is It Time To Retire the 'My Body, My Choice' Slogan?

Elizabeth Lanphier, University of Cincinnati-Main Campus

One of the blockbuster cases the U.S. Supreme Court will hear in its upcoming session is a [challenge to Mississippi's 15-week abortion ban](#).

Mississippi made clear that it aims [to overturn the landmark Roe v. Wade decision](#), which in 1973 established a constitutionally protected right to abortion before fetal viability – when a fetus has developed to a point where it can exist outside the womb. In the context of a Supreme Court [reshaped by anti-abortion interests](#), the case could set a new precedent, alarming abortion rights activists, some of whom will likely be outside the Supreme Court this fall holding signs emblazoned with “my body, my choice” – a go-to slogan for many in the movement.
