

SCHOLARS
STRATEGY NETWORK

Policy Support and Speakers

Policymakers and staff members: SSN scholars located in universities around the country stand ready to help with important research findings and expert consultations. Click [here](#) for more ways SSN can help policymakers.

Advocacy organizations and citizens' groups: SSN members are willing to meet and speak with groups working on public concerns to revitalize democracy. Click [here](#) for more ways SSN can help civic and advocacy organizations.

To book a speaker for your event or find experts to consult on your policy project, contact [Linda Naval](#), Senior Director of Public Policy and Strategic Initiatives, or call at (508) 930-8031.
